

Dear UHCA Members:

Utah Health Care Association has partnered with Incite Strategic Partners, a Group Purchasing Organization (GPO) dedicated to serving senior living communities of all sizes. I'm confident that you will find value in this partnership as you learn more about their services.

One of the main reasons we opted to partner with Incite is their commitment to offering competitive pricing and driving greater resident satisfaction through high quality products. In addition, they have stellar customer service and representatives to help you along the way.

Through this partnership, UHCA will earn non-dues revenue in the form of royalties as providers sign up with Incite. If you're interested in learning more, you may visit the dedicated Utah Health Care Association page at www.incitesp.com/utah. You may also reach out to Mike Dean for more information and for any questions about the Incite program. His email mike.dean@incitesp.com and his number is (801) 560-4424.

Thank you for your support. I believe this program will help our members at the facility level and provide another compelling reason to be a member of UHCA.

Welcome to our newest member benefit, the Incite GPO!!
