

Dear WVHCA Members:

With a mission to deliver services that add value to your WVHCA membership, our association is excited to announce a partnership with Incite Strategic Partners, a Group Purchasing Organization (GPO) serving skilled nursing and assisted living providers. WVHCA believes the group purchasing program will provide our members with the opportunity to receive competitive pricing for dining options, medical supplies and services, housekeeping supplies and more. It will also increase resident satisfaction by supplying high quality products and resources to help you maximize the potential program benefits.

All WVHCA members — both skilled nursing facilities and assisted living communities — can participate in this program. Incite will provide a free analysis to determine the program's potential impact and savings for your organization.

WVHCA's regional Incite representative, Ty Alexander, can get members started on the Incite programs of choice. Contact him at ty.alexander@incitesp.com or 614.623.7467.

If you wish to talk with a WVHCA team member about this program, please contact us.

Thank you for your support, and welcome to our newest partner, Incite GPO!
